

# Private Training

InfiniTrak offers a weekly group training session that allows customers to see a brief overview of the system and listen to an update regarding DSCSA regulations.

To join a group session, click [here](#) to register.

InfiniTrak can also provide a private training session for your pharmacy. This allows your team to have one on one personal attention with our DSCSA expert and trainer. You can ask questions that pertain to your pharmacy and get to know your system in more detail.

To schedule a private training session for your pharmacy team, please click on the [Calendly link](#).
